Completers of Programs of Study

A completer is a graduate who successfully completed three or more units of credit within a program of study, including all the core requirements for that program of study.

There are two measures for this indicator. The first is the number of completers compared to the number of graduates. The second is the number of seniors enrolled in career and technical classes compared to the number of completers.

The state benchmarks for this measure are 35 percent and 50 percent, respectively.

Completers compared to graduates	12%
State average	28%

District Rating: Below State Average

Number of seniors enrolled in vocational education compared to number of completers	22%
State average	36%

District Rating: Below State Average

Total Number of Completers of Programs of Study (unduplicated) (A student may complete more than one program of study)	7
Cosmetology	4
Family & Consumer Sciences Education	2
